

# Richmond Volleyball Club

1907 Westmoreland St  
358-3000 www.rvc.net

## Invites you to join in the excitement!

- **What are we?** – We are one of the largest volleyball clubs in the country dedicated exclusively to recreational volleyball. We have adult leagues that play Sunday through Friday nights and a Juniors Program (8 to 18 year olds) that runs from October thru May for weekend competition.
- **When do leagues play?** – RVC operates 4 seasons a year: fall, winter, spring and summer. Teams play a 9 week season with a double elimination tournament at the end of each season. One night a week, Sunday through Friday, teams play two 55 minute matches starting sometime between 6PM and 10PM
- **When do seasons start?** – Typically, Fall Season starts at the end of September, Winter starts the beginning of January, Spring starts the end of March and Summer starts the end of June.
- **How do leagues work?** – Adult recreation leagues are set up with men's, women's and coed leagues. Each league has a variety of levels starting with very basic/novice levels up to advanced levels. Men's and women's leagues typically run either Sundays, Mondays or Tuesdays and coed leagues run either Wednesdays, Thursdays or Fridays.
- **How many players on a team?** – Leagues are 6 person teams. Most teams keep between 8 and 10 people on their roster just in case some people can't make it to play on some nights. It is required that teams have at least 5 players to play a game.
- **Who can play?** – *anybody!!!* Any age, any size, no experience or much experience.
- **How much does a team cost?** - For nine weeks of play and a tournament, teams pay between \$310 and \$360 depending on when they submit their application. This works out to be about \$6 per night per player. Most matches are officiated by RVC for teams which cost \$160 extra. Teams may choose to officiate matches themselves to save the \$160 fee but someone on the team must become an RVC certified official to do so.
- **When do I register a team?** – Registration deadlines typically are about 4 weeks before season starts. Call RVC for details.
- **How much to become a member?** - Our individual membership year runs from October 1st (Fall season) to September 30th. Joining in the beginning of our membership year the rate is \$50. This fee is pro rated if joining in the Winter, Spring or Summer season.
- **What do we offer for RVC members?** – We also have skills clinics, outdoor tournaments, air conditioned facilities, showers, concession with light food and beer, open gym everyday between 4PM and 5:45 PM and best of all a fun and social atmosphere.
- **How do we join?** – Give us a call or come by to see us. Office hours are 9 – 5PM. We will set you up to start having the best time playing the best sport in a jiffy.
- **Where is RVC?** – 1907 Westmoreland St. about a mile east of Willow Lawn Shopping Center just off Broad Street.
